2. PRODUCTS AND LICENCE

2.1. In consideration of the Fee(s), the Publisher grants to the Licensee the non-exclusive and non-transferable right in the Territory to give Authorised Users access to the Licensed Materials through the Secure Network, subject to the terms and conditions of this Agreement. For the avoidance of doubt, Authorised Users may access the Licensed Materials from outside of the Territory, provided that this is at all times via the Secure Network.

2.2. For Products purchased on subscription, the Licensed Materials shall include all content included in the relevant Product during

the Subscription Period. Licensee shall not be entitled to access content added following the end of the Subscription Period unless and until Commercial Terms are agreed between the Parties for a new or extended Subscription Period.

2.3. For Products purchased on a non-subscription (transactional) basis, the Licensed Materials comprise content included in the Product and/or for the period specified in the Commercial Terms only.

2.4. The Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish or which it has reasonable grounds to believe infringes a third party's copyright or other intellectual property right, or which is defamatory, obscene, unlawful or otherwise objectionable. If the withdrawal represents more than 10% of the Licensed Materials of any particular Product, the Publisher shall give written notice of such withdrawal to the Licensee and refund that part of the Fee for that Product that is in proportion to the amount of Licensed Materials withdrawn for any remaining un-expired portion of the Subscription Period.

2.5. Where stated in the Commercial Terms, Publisher shall provide access in perpetuity for Authorised Users to Licensed Materials (for Products purchased on a subscription basis, this is in respect of the Product's content published and paid for during the relevant Subscription Period). Access in perpetuity will be provided either through the Secure Network or from the archive described in clause 6.2. If no right of access in perpetuity is granted, the Licensee's right to access the Licensed Materials will terminate at the end of the relevant Subscription Period (or other access period as specified in the Commercial Terms).

2.6. The perpetual access right described in clause 2.5 is subject to the terms of this Agreement and Publisher may terminate this arrangement if either (a) the Licensee is in breach of any terms; or (b) the Publisher no longer has the right to grant such access to the Licensee (in which case termination of the perpetual access right shall be for the affected part of the Licensed Materials only).

2.7. Product Lists are maintained on the Publisher's website at

and maybe added to at any time. From time to time, content within the Product Lists may be removed and/or replaced with other content, but unless otherwise agreed with the customer, this will be no more than once per year on renewal of the Subscription Period.

2.8. Complimentary archive access may be provided with a subscription at the discretion of the Publisher and content comprised in any such archives may be removed or substituted from time to time on reasonable notice from the Publisher to the Licensee. The Licensee's complimentary access to archives will cease on expiry of the relevant Subscription Period.

3. FEE AND PAYMENT

- 3.1. Unless otherwise stated in the Commercial Terms, the Licensee shall pay the Fee to the Publisher within 28 days of receipt of the Publisher's invoice.
- 3.2. For the avoidance of doubt, the Fee shall be exclusive of any sales, use, value added, non-recoverable, withholding or other taxes and the Licensee shall be liable for any such taxes in addition to the Fee.

5. PROHIBITED USES

- 5.1. Neither the Licensee nor the Authorised Users may:
