		<p>Compliance of the National Academic Depository (NAD), applicable to PGCM/ PGDM Institutions and University Departments</p> <p>National Academic Depository. National Academic Depository (NAD) is a digital database of academic awards provided by the Government of India. NAD is an inter-operable system for storage, retrieval, authentication and verification of academic awards. As per the latest report 701 institutions have registered under NAD. TSM is one among the few institutions registered under NAD. With the help of NAD, students can have permanent and safe record of keeping all academic awards issued by TSM. The benefits of using NAD are :</p> <ul style="list-style-type: none"> ➤ Effective deterrence to fake and forged paper certificates; ➤ Reduced Administrative Overhead: Aimed at the concept of paperless governance. It reduces the administrative overhead by minimizing the use of paper and curtailing the verification process. ➤ Digital Transformation: Provides trusted issued documents. ➤ Secure Document Gateway: Acts as a secure document exchange platform like payment gateway between trusted issuer and trusted Requester/Verifier with the consent of the Students. ➤ Real Time Verification: Provides a verification module to verify data directly from issuers after obtaining user consent. ➤ Immediate availability of academic awards upon upload by Academic Institution. ➤ Online, permanent record of academic awards. ➤ No risk of losing, spoiling, damaging the academic awards ➤ Anytime, anywhere and convenient access to academic awards. ➤ Authentic Documents, Legally at Par with Originals <p>Students would be able to access all of their documents from different issuing authorities at one place e.g. Aadhaar, Driving License, Pan Verification Record, Vehicle registration Certificate along with educational awards.</p>

20	Best Practices adopted, if any	<ol style="list-style-type: none"> 1. Innovative Curriculum and Pedagogical Approach for Hands-on Experiential Learning - TSM offers graduate with an MBA/PGDM in General Management and students can choose up to two specializations tailored to their specific interest and needs. The choices and combinations allow learners to define their learning needs as narrowly or broadly as they like. To best suit to the interest of our learners, TSM offers innovative curriculum and pedagogical approaches aimed at providing hands-on experiential learning beyond knowing core management concepts. 2. Merit-Based & Inclusive Admission Process - The objective of this best practice is to identify potential managerial and leadership talents from across India with diverse set of attributes and aspirations. The purpose of this best practice is to continue to be an institution of choice among various stakeholders such as parents, students, industry and related stakeholders. TSM believes and promotes diversity as a way of life.
