Feedback	Inferences
1. Theoretical knowledge is good. But they need more practical exposure	1. Organise more industry expert sessions.
2. Students need to be enlightened on cross-broder banking practices	2. To introduce a new course on International Finance.
3. Some students struggle to make meaningful contributions in the GD	3. Organize more workshops, Mock GD/PI as a preparatory module.
4. Students wants to have real time industry exposure while pursuing their degree to connect the concepts with the industry practice	4. Strengthening the SIP Learning process to explore more knowledge
