Dear Sir,

Attached is the revised proposal for INR 5,25,000 invoiced in my personal name.

I have seen the timetable and I very confident we can cover all the activities without any changes in the academic schedule since Sunday and Wednesday are holidays.  
So we can finish this programme Sun, 19<sup>th</sup> to Wed, 22<sup>nd</sup>. I will send the slots once you send me the final student elective list tomorrow morning.

Also, TSM always puts us up at the **Madurai Residency**. (I think I mentioned this wrongly as Madurai international).

I request that 2 rooms be blocked for me and Manish starting tomorrow Sat 18<sup>th</sup>, night. We will drive down from Bangalore.

Please confirm this proposal over email. I will send the pre-work required and the schedule post that.

Regards,  
Swaroop

Dear Team,

Sorry for the much-awaited time. After all sort of confusions and possibly we convinced the management team to go ahead with the Career Carve Team this year for Pre- Placement training program for the batch 2021-2023.

So, Quickly we can kick start for the first year Program as soon as possible. will connect with Suhashini on this and will prepare the time schedule.

And most important that our management has approved as it would be completely offline mode of training program.
