

FEEDBACK OF THE STUDENTS -Parameters

1	The overall structure, programme design and course content met my expectations				
2	The course materials, books etc. were relevant and adequate				
3	Faculty demonstrated high level of enthusiasm in teaching				
4	Faculty were generally alive to learning difficulties of students				
5	Faculty-student interactions were friendly and enjoyable				
6	Feedback/clarifications on my performance were available to my satisfaction				
7	The class-room infrastructure (boards/IT/LCD system) was adequate				
8	The IT infrastructure available met my needs.				
9	The library resources and services were adequate				
10	The hostel facilities were of acceptable standard.				
11	Industry/plant visits were adequate and well-planned				
12	On the whole I am highly satisfied with the TSM programme I have undergone.				
13	I would strongly recommend the programme to other aspirants

Findings	Action Taken
1. The overall satisfaction with the programme structure, design and course content and faculty were found to be higher.	
2. IT infrastructure was also considered to be supportive	
3. Industry Plant visits were perceived to be inadequate by the I MBA students	Hence it was given more emphasis and budget and plans were created to facilitate more visits
4. The facilities in the hostel are expected to improve	Actions are taken to improve the infrastructure
